Lenten Season 2020
Seeking the Will of God in Unknown Circumstances

III: Intercession in the Will of God
Luke 9:51-56 & 1 Timothy 2:1-6

Opening Thoughts:

If I am in the will of God, then God expects my prayer life to move beyond just me—I must participate in intercession.

What is intercession?

According to Luke 9:51-56, what should the nature of our intercession be?

1. Intercession is not an opportunity to get _____ on people who have done me wrong.
2. It should be done with a _____ heart.
3. If I am not participating in Godly intercession, then Jesus will _____ me.

So, what do I need to know about intercession?

1. God expects me to pray on behalf of _____. When I do, I participate in Godly _____ and it should be done with _____. My Godly intercession ensures that I may live in _____. (v.1-2)

2. God is _____ when I participate in Godly intercession because it gives Him an opportunity to teach others about _____. (v.3-4)

3. God has already demonstrated the greatest type form of _____ through the giving of His Son. (v.5-6)

When I am faithful to God's desire for Godly intercession, I can pray like Jesus did in Luke 23:34a

Jesus said, "_____."

Closing Prayer:

During this Lenten season, God help me to only pray for others when I am mature enough to be Godly in my prayer life. Therefore, Lord today we come together asking that you give us spiritual enlightenment and spiritual growth to walk in your will. Give us a heart for others as you have a heart for us. As you mature us, may our prayer lives become a living example of God's salvation here on Earth. In Jesus name, Amen.
