**Lessons From...**  
Lessons from The Teacher  
Mark 6:35-42 NIV

**Opening Thought:**

We all experience “by this time”! Our “by this time” is NOT just about us.

**Application:**

What lessons can I learn from the teacher?

**Closing Prayer:**

Most Holy God, sometimes I want to just quit...throw in the towel...focus completely on me! I am human and confess that life can drain me dry...even to the point of not wanting to give anymore, minister anymore, show compassion anymore. Forgive me. I know that I have placed you in a “by this time” moment a time or three with me, so help me to remember that when I am in those moments with others. I avail myself to still be used in my “by this time”. I will look to see what You gave me for others, and I thank You that there will still be enough for me. Help me to trust You and lean on your lessons in my “by this time” moments. In Jesus’ name, Amen.
